

ANDAMUR ISM POLICY

#WeTakeCareOfWhatMatters

ANDAMUR ISM POLICY

-  Trustworthy protection for correct business process performance.
-  Suitable information protection. Efficiently implementing its security obligations, preserving its image, reputation and the trust of its clients and interested parties.
-  Ensuring business continuity and reducing the risk of damage to a minimum.
-  Guaranteeing the confidentiality, integrity and availability of the information regarding the company and its interested parties.
-  Commitment to implementing security processes and checks aimed at continuous improvement in the management and high performance of the Information Security Management System.

ANDAMUR is aware of this responsibility and undertakes to disseminate this policy to all the interested parties and to implement it at all levels in order to reach and maintain a prominent position in the market of comprehensive solutions for carriers and individuals. All of this is also in line with **the company's Mission, Vision and Objectives**.
