VIEW YOUR PERMITTED STATIONS

In this section, you can view your standard settings for all your cards by country.

You can also view any exceptions you have created (if any) for each card.

*View Your Exceptions by Card*

View Your Standard Configuration of Permitted Stations by Country

05

EDIT YOUR STANDARD PERMITTED STATIONS SETTINGS

- *Block selection*

Select all stations in a country by clicking on 'Options' > 'Edit' (✏️).

05

EDIT YOUR STANDARD PERMITTED STATIONS SETTINGS
- *Block selection*

You can ALLOW/BLOCK all stations from the same country by clicking on 'Select all' and then clicking on 'Accept' to save the changes.

07

SET UP EXCEPTIONS BY CARD

In addition to the standard settings, you can create specific exceptions for each card:
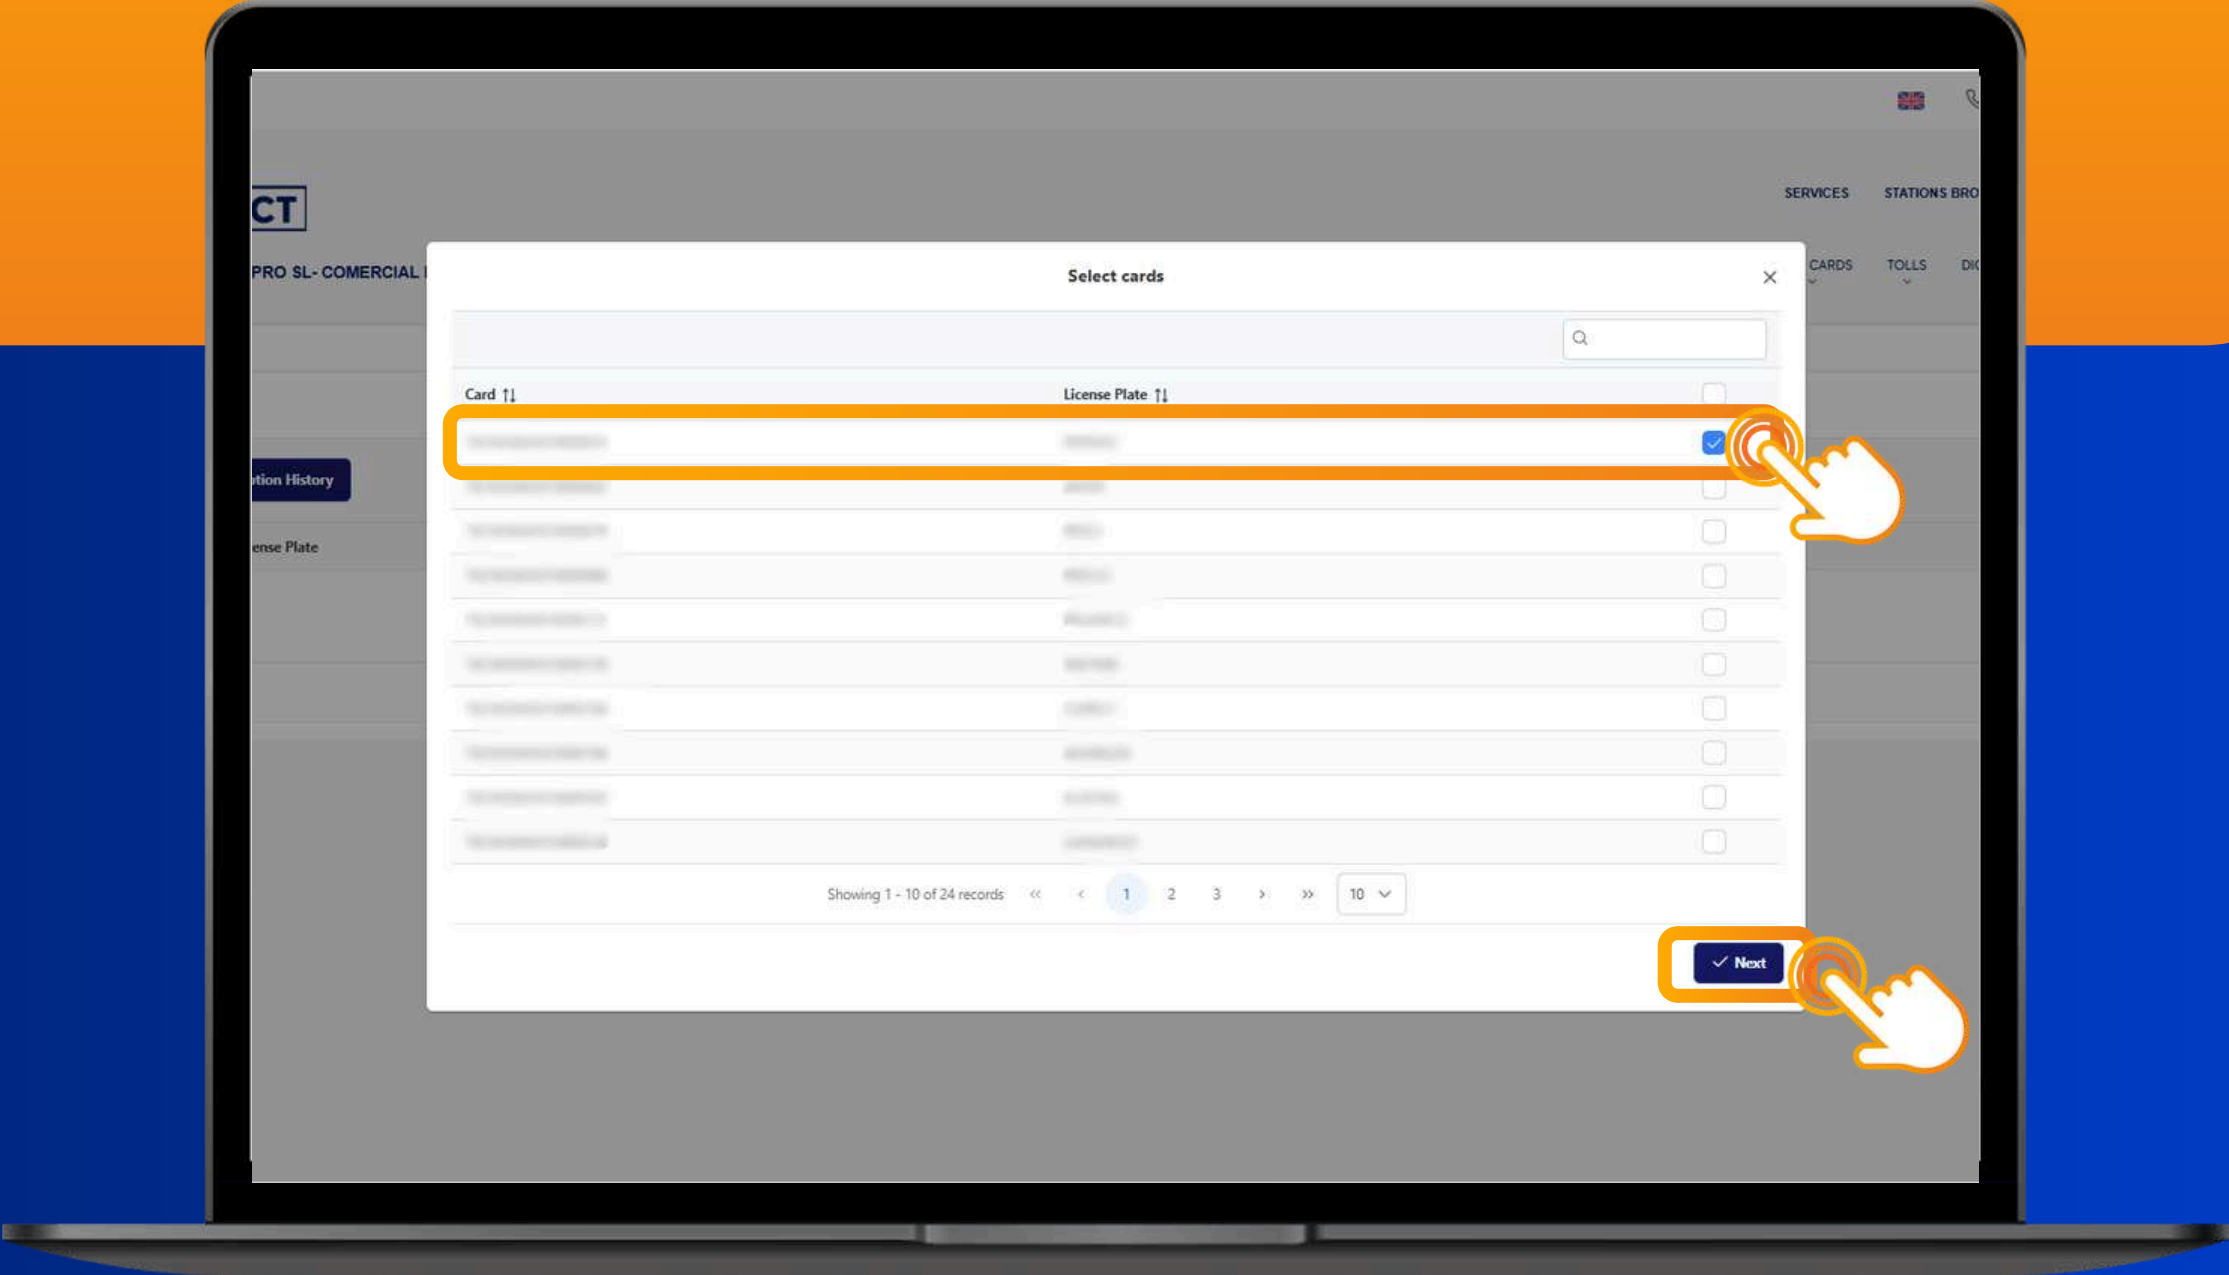

Select 'Your cards with exceptions' > 'New Exception'.

07

SET UP EXCEPTIONS BY CARD

Select the desired card(s).
Click on "Next".

07

SET UP EXCEPTIONS BY CARD

Add any necessary exceptions (allow or disallow specific stations), and click 'Accept' to confirm the changes.
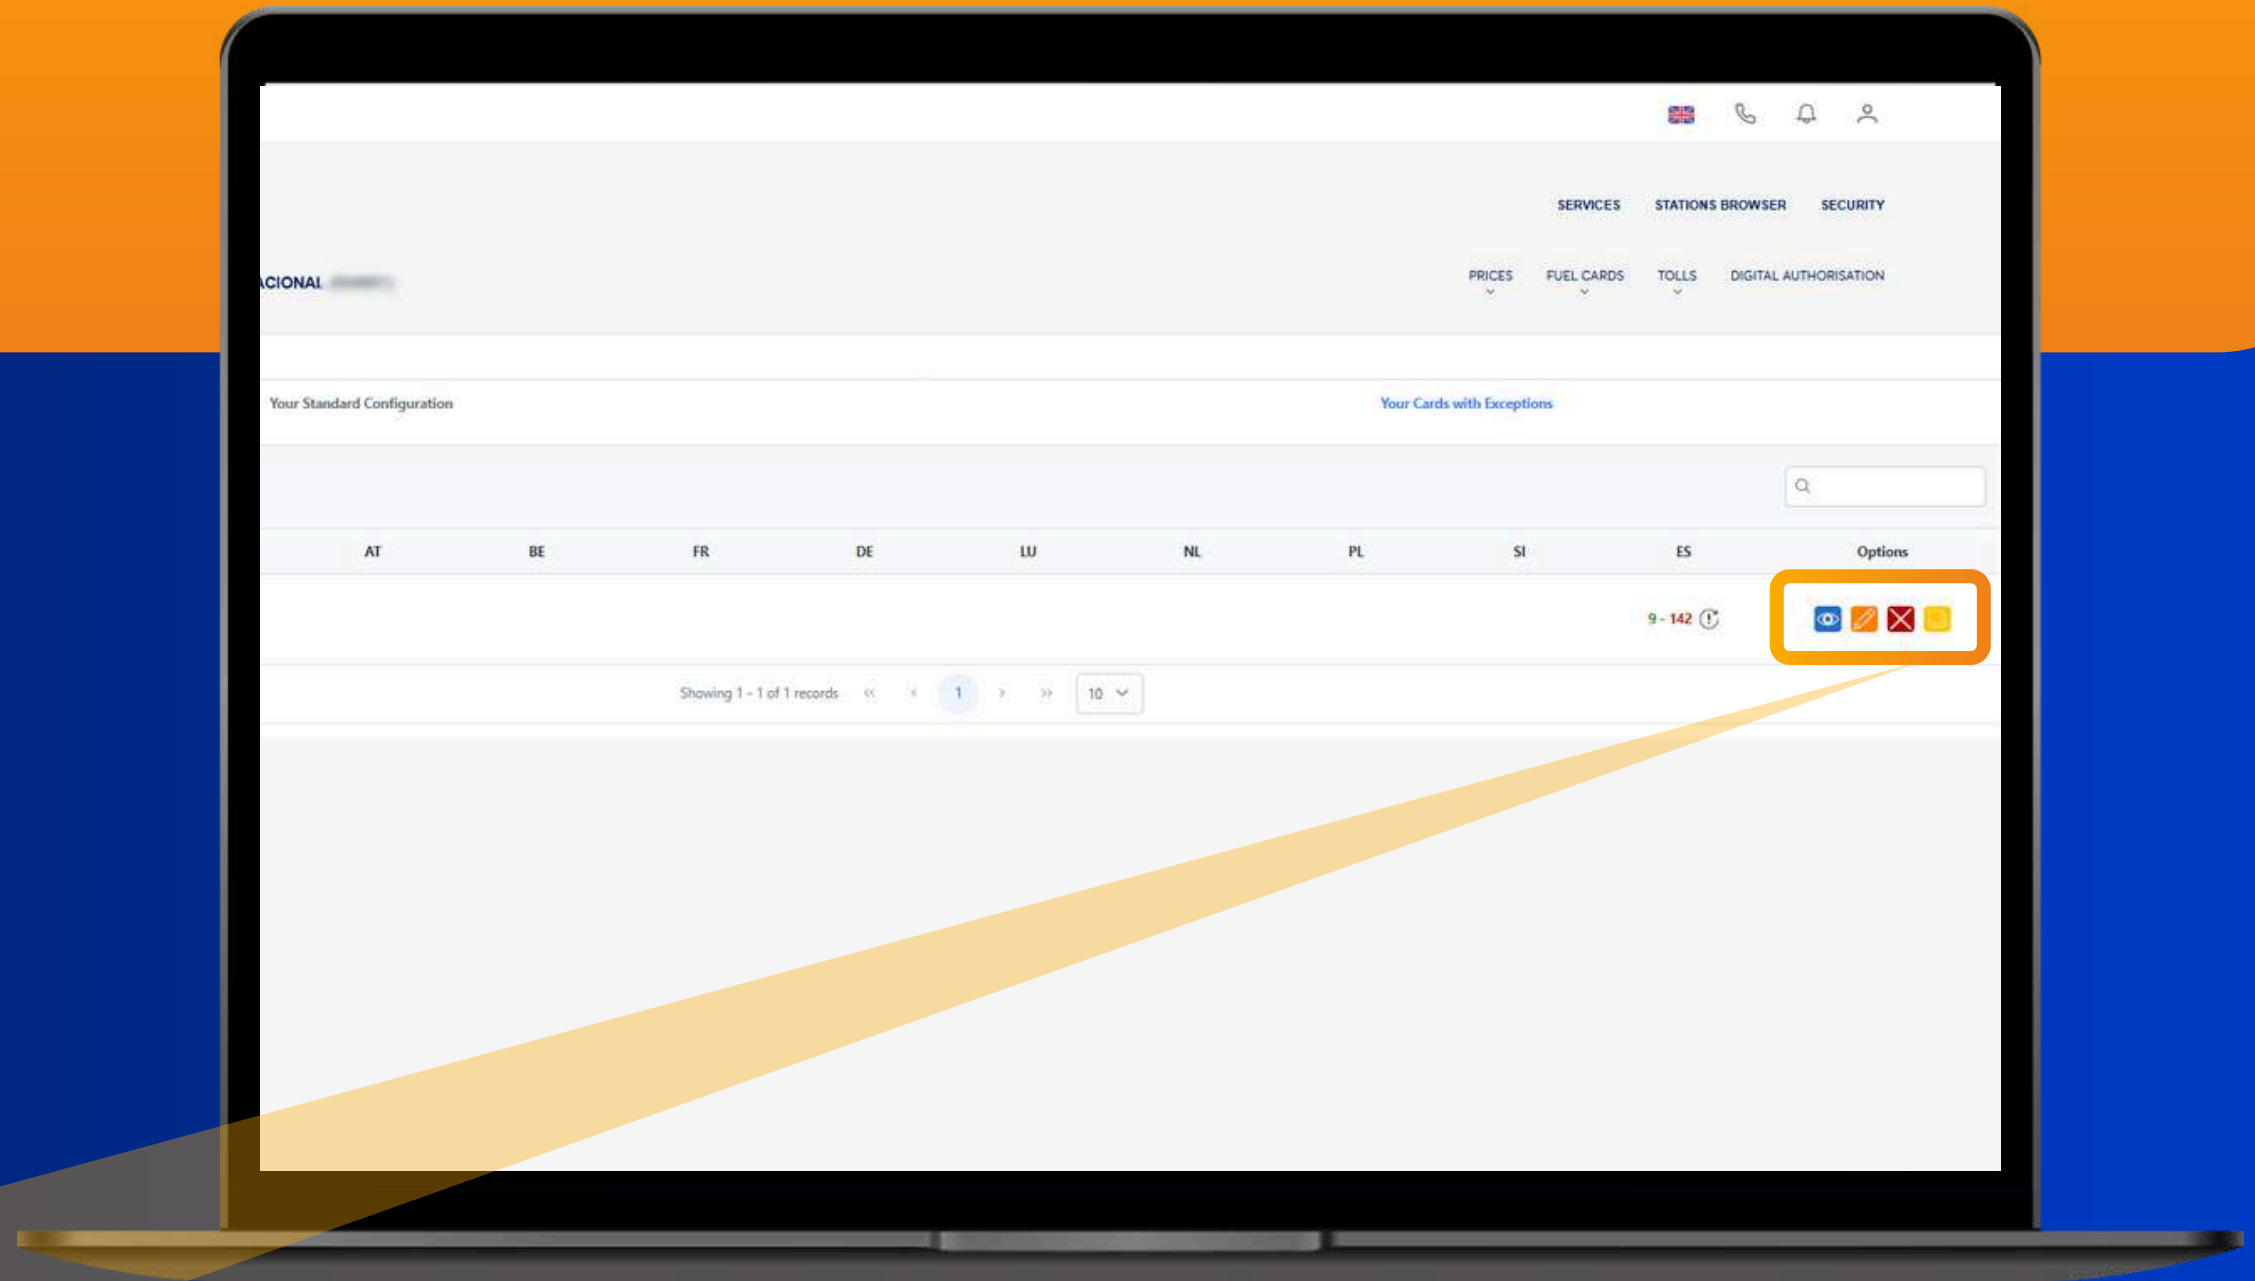

*Exceptions may have an end date or be indefinite.

07

SET UP EXCEPTIONS BY CARD

Once an exception has been created for a card, you can:

Modify / Change end dates / Delete / Clone exceptions

08

CHECK THE HISTORY OF EXCEPTIONS

In the 'Exception history' section, you will find a list of all previously created exceptions.
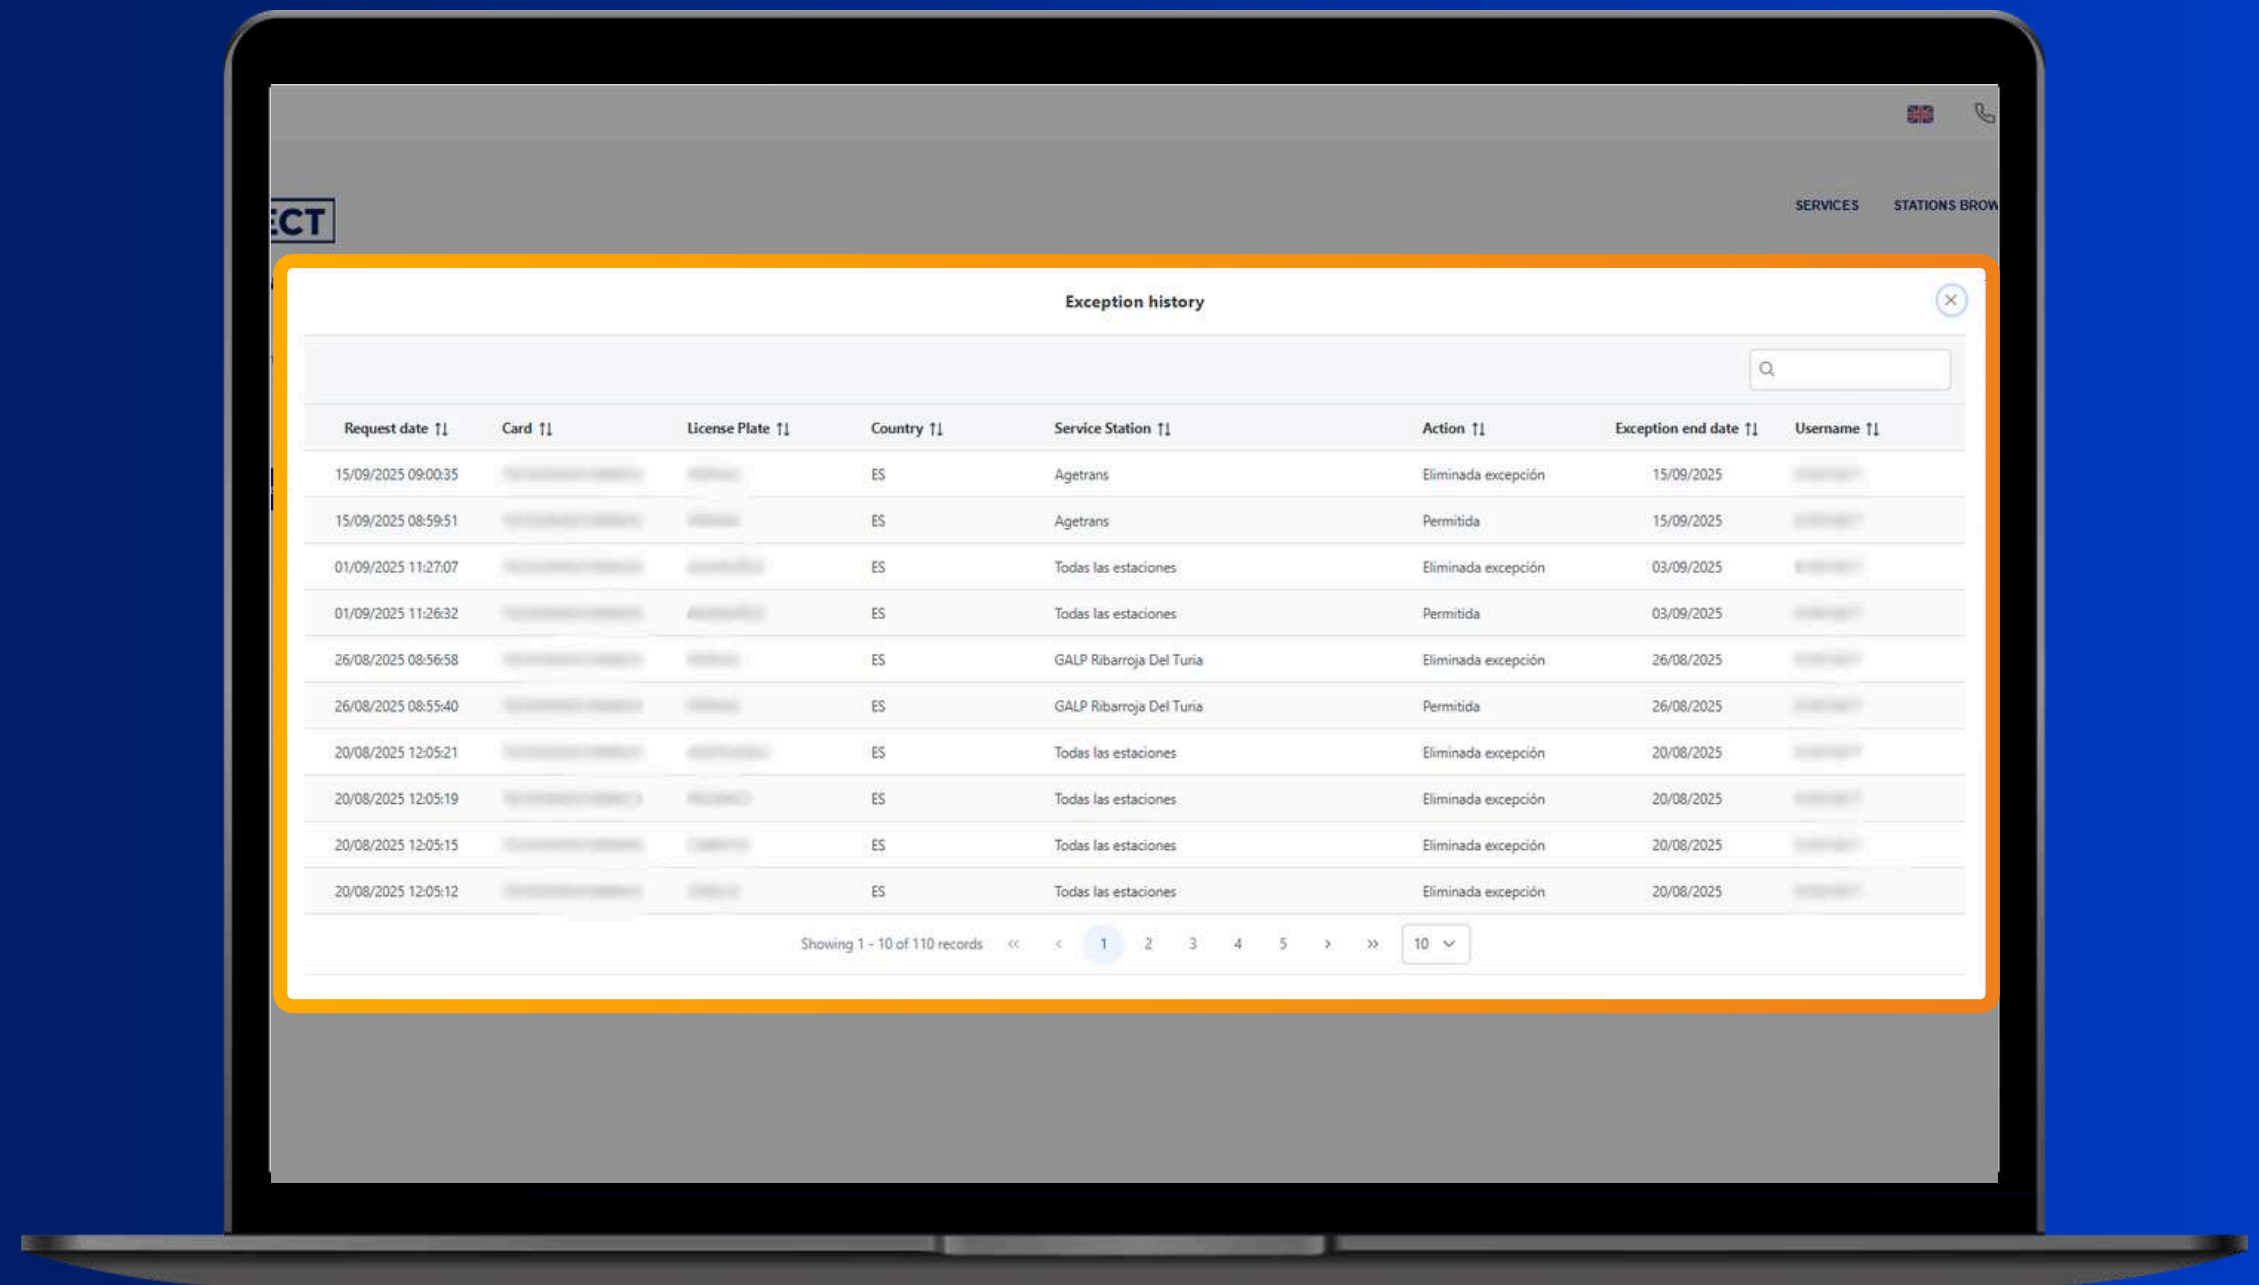

08

CHECK THE HISTORY OF EXCEPTIONS

You can review them here at any time.
